## Overview:

Al-Zaytoonah University of Jordan (ZUJ) is a private university founded in Amman, Jordan in 1993. ZUJ has been accredited by the Jordanian Ministry of Higher Education & scientific Research since March 6, 1993. ZUJ began giving lectures on September 6, 1993. Since that time, ZUJ has worked by all means and capabilities at all levels to develop itself, especially at the academic and infrastructural levels.

# 1 Vision

ZUJ looks forward to being a competitive university in labor market, research and sustainable environment.

# 2 Mission

ZUJ aspires to be an active contributor to the sustainable development of the society by providing the labor market with the specialized competent graduates who are capable of leadership, entrepreneurship and creativity. ZUJ is dedicated to achieving its mission through implementing proper planning, wise governance, modern teaching and learning methods, transfer of technology, applied scientific research, attractive scientific and teaching environment, skilled and experienced faculty, partnership with notable higher education institutions, and application of quality assurance and competitiveness standards.

# 3 Our Values

- National belonging
- Leadership and team work
- Integrity and transparency
- Justice and equal opportunities
- Continuous education
- Respect of others' opinions and cultural pluralism

## 4 Goals

1. Accomplishing the strategic plan according to the cyclical revision methodology and continuous development of executive plans to meet the vision, mission and values of the university.
2. Strengthening the role of governing councils and following up with their performance and guaranteeing their integrity and transparency.
3. Focusing on creating applied and technical specializations, continuously developing the curricula, and adopting modern teaching and learning methods in line with the requirements of the labor market.
4. Supporting applied scientific research within the framework of the national priorities and focusing on creativity, leadership and entrepreneurship.
5. Providing financial and human resources, along with the distinguished leadership, to develop a suitable environment for all university activities.
6. Continually improving students' services, upgrading the level of students' competitiveness in the labor market, and activating the mechanisms of communicating with the graduates.
7. Enhancing the awareness of social responsibility by participating in national social initiatives and cooperating nationally and internationally.
8. Striving to get quality assurance certificates and advanced positions in the national and world university rankings.

In 2017, ZUJ has passed an audit of conformity to the International Quality Standards ISO 9001:2015. In August, 2017, ZUJ was granted the certificate of conformity to the International Quality standards ISO 9001: 2015 with accreditation from DNV-GL. Obtaining the certificate has considerably contributed to the enhancement of the university's prestige and status in the international academic arena.

In 2017, ZUJ was the first university in Jordan to achieve a new breakthrough by obtaining the Quality Assurance Certificates for the Faculty of Pharmacy and Faculty of Nursing. Later on, the remaining faculties obtained the QA certificate from the Jordanian Higher Education Accreditation Commission.
